St Alphege, Seasalter ~ making disciples of Christ,
growing the church of God

GIVING BACK TO GOD

In the last few months we have done a lot of looking back and reflecting but now it's time to look forward, with trust that God has more good gifts in store for his church here in Seasalter.

Every year we ask everyone to think and pray about their giving to the church. God is good and he will never let us down but he needs our purses, wallets and bank accounts to help in his work.

Our work with children and young people is growing; the friendships in the Lucerne area are developing; there is much to do; the fields are ripe for harvest (John 4.35).

So, will you please consider your giving, and complete and return the pledge form overleaf. If you are not already in the Planned Giving Scheme our Stewardship Secretary, Ceri Charilaou (email: cericharilaou@hotmail.co.uk Tel: 274650), will be happy to help with envelopes or a banker's order.

St Alphege, Seasalter making disciples of Christ, growing the church of God
